

Declaration of Compliance
Food Contact Declaration

Product name: Fishpads / Foodpackaging pads

Article numbers: F10009 to F10200

Food Contact statement:

Absorbest confirms that the above-mentioned products comply with the requirements on materials used for articles intended to come into contact with food as described in:

Commission Regulation: (EU) No 10/2011 – including all its amendments and additions, also the 15th amendment (EU) No 2020/1245, plus No 2023/1442 and 2023/1627, 2024/3190, 2025/351, 2026/245

Commission Regulation: (EC) No 1935/2004 and (EC) No 450/2009

Products are manufactured in accordance with good manufacturing practice as outlined in Commission Regulation (EC) No 2023/2006.

No printing or ink are used during production.

The products and packaging comply with the PFAS- and heavy metals restrictions as detailed in Article 5 in Regulation (EU) No 2025/40 (PPWR: Packaging and Packaging Waste Regulation).

The products and packaging comply with Regulation (EC) No 1907/2006 (REACH).

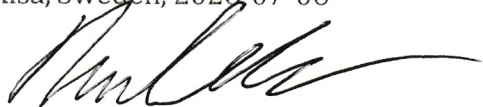

The products and packaging do not contain substances restricted under REACH Annex XVII, and they do not contain any intentionally added Substances of Very High Concern (SVHC) in concentrations exceeding 0.1% weight by weight (w/w).

The products are certified by NOFIMA (The Norwegian Packaging Convention) with an EK-Declaration – The Food Contact Compliance Declaration of Emballasjekonvensjonen.

EK-certificate registration number 3112 – valid until 2028-05-10

The products are manufactured by Absorbest AB, Klintvägen 1, SE-59039 Kisa, Sweden.
