5. DECLARATION

The manufacturer, with product manufacturer number 1907 / 2006, declares that the products described above comply with the applicable requirements of Regulation (EU) 2025/40 on packaging and packaging waste (PPWR).

6. LIABILITY AND VALIDITY

This declaration is based on the relevant technical documentation, drawn up in accordance with the manufacturer's internal procedures, and will be revised should there be any changes to the product, the materials, the manufacturing process or the applicable regulations.

7. SUBSTANCES

It is hereby declared that the products comply with the applicable restrictions and requirements relating to substances of concern laid down in Regulation (EU) 2025/40 (Article 5) and other applicable European legislation.

8. RECYCLED CONTENT AND RECYCLABILITY

The products covered by this Declaration are placed on the market in accordance with the currently applicable requirements of Regulation (EU) 2025/40 regarding recycled content. Compliance is based on the technical documentation provided by the manufacturer and will be updated as necessary in line with changes to the applicable regulations.

We also confirm that the product, at the end of its useful life, can be fully recycled.

9. REUSE

The products have been designed for multiple cycles of use within their intended purpose. This declaration identifies this characteristic without prejudging future obligations under the PPWR, which are yet to be developed.

10. TECHNICAL DOCUMENTATION

Technical data sheets and/or REACH declarations, PFAS declarations, heavy metals declarations, the manufacturer's declaration, and type-approval records are retained.

PLASGAD SPAIN S.L., declares that no heavy metals or PFAS are incorporated during the manufacturing process of the products.

11. FINAL DECLARATION

The manufacturer declares, on its own responsibility, that the products identified comply with the currently applicable requirements of Regulation (EU) 2025/40, as evidenced by supporting documentation on the date of issue.
